

## Paint Donations Needed!

Many senior citizens who live on fixed incomes in some of El Paso's disadvantaged neighborhoods face an affordability crisis and rarely, if at all, can afford the costs of simple home improvements, such as painting exterior and trim of their homes.

Project BRAVO is currently accepting donations of paint and supplies to support the 25<sup>th</sup> Annual Paint-a-thon scheduled for Saturday, September 17, 2011.

The Paint-a-thon is a one day event that brings hundreds of volunteers together in the spirit of community service to paint the homes of elderly and disabled residents of El Paso who are physically or financially unable to do so on their own. Many do not have anyone in their family to help them perform this basic home maintenance task for them.

This year, our goal is to paint between 75 and 100 homes in El Paso County. Monetary donations are also being accepted.

Your donations of paint, supplies and money will help Project BRAVO beautify neighborhoods in our community and help elderly and disabled residents maintain the value of their homes.

Since 1986, the homes of 1,774 elderly and disabled residents have been painted by more than 7,500 volunteers.

We are asking for donations of paint in unopened 5 gallon containers, preferably white semi-gloss, water-based paint. We also need donations of paint brushes and rollers.

Project BRAVO is a 501(c) (3) private non-profit Community Action Agency providing a wide range of social services for elderly, disabled and low-income El Paso County residents.
