INDEPENDENT AUDITOR'S REPORT

El Paso Community Action Program Project BRAVO, Inc.
El Paso, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of El Paso Community Action Program Project BRAVO, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of El Paso Community Action Program Project BRAVO as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The selected statements of revenues and expenditures is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 28, 2020, on our consideration of El Paso Community Action Program Project BRAVO, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of El Paso Community Action Program Project BRAVO, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering El Paso Community Action Program Project BRAVO, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2019 AND 2018

1. ORGANIZATION AND NATURE OF ACTIVITIES

The El Paso Community Action Program Project BRAVO, Inc. ("Project BRAVO") was organized in August of 1965 to implement and carry out the provisions and spirit of the Economic Opportunity Act of 1964. Project BRAVO is a private nonprofit corporation that is primarily funded by the federal government through the Texas Department of Housing and Community Affairs.

Project BRAVO is responsible for the administration of various community service grants throughout El Paso County. Project BRAVO is governed by a board of directors consisting of 12 members, four appointed by various local governmental units, four appointed by designated private interest groups and four elected area representatives.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation—The financial statements of the Project BRAVO have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions—Net assets without donor restrictions are those net assets not subject to donor-imposed stipulations and may be expended for any purpose in performing the primary objectives of the Project BRAVO. Net assets received and expended within the reporting period are reported in the statement of activities as without donor restrictions.

Net assets with donor restrictions—Net assets with donor restrictions are those net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Project BRAVO or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Management's Estimates and Assumptions—The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Support and Revenue—All contributions are considered to be without donor restrictions unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as an increase in net assets with donor restrictions. However, if a restriction is fulfilled in the same time period in which the contribution is received, Project BRAVO reports the support as net assets without donor restrictions.

Grants Receivable and Tenant Rent Receivable—Receivables consist primarily of amounts due from grantor agencies and tenant rent receivables. Accounts receivable are evaluated by management throughout the year. Project BRAVO maintains an allowance for doubtful accounts based upon the credit risk of the grantors and tenants, historical trends and other information. At December 31, 2019 and 2018, all grant and tenant receivables are deemed to be fully collectible, therefore an allowance for doubtful accounts has not been established.

Property and Equipment—Property and equipment are recorded at cost or at estimated fair market value at the date of the gift, if donated, less an allowance for accumulated depreciation. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets. Expenditures for major renewals and improvements at or exceeding \$5,000 are capitalized, while expenditures for maintenance and repairs are charged to operations as incurred. When assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in current period income.

Compensated Absences—Employees of Project BRAVO are entitled to annual leave accrual upon hire. Employees may use annual leave after completion of 3 months of continuous employment. Full-time employees accrue eight hours of annual leave for each full calendar month in pay status, while certain members of upper management accrue twelve hours of annual leave for the same period. Annual leave may be carried over to the next funded year to a maximum of 40 hours for full-time employees and 80 hours for upper management.

Analysis for Impairment—Management reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Impairment is determined based upon a comparison of future cash flows to the recorded value of the assets. Impairment losses are measured based upon the fair value of impaired assets. No such impairment losses were recorded during the years ended December 31, 2019 and 2018.

Cash and Cash Equivalents—Project BRAVO considers, for purposes of the statement of cash flows, all cash accounts, money market accounts, certificates of deposit and other short-term highly liquid investment instruments purchased with original maturities of three months or less to be cash equivalents.

Concentration of Credit Risk—Financial instruments which potentially subject Project BRAVO to a concentration of credit risk consist primarily of cash and cash equivalents and accounts receivable. Project BRAVO places its cash in financial institutions which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000, however, at various times throughout the organization has had significant amounts of cash equivalents that are not federally insured. The risk is managed by maintaining all deposits in high quality financial institutions. Management assesses the financial condition of these financial institutions and believes that the possibility of any credit loss is minimal.

Allocation of Expenses—The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel expense, fringe benefits, travel, equipment, supplies, contractual expenses, direct services, and other expenses, which are allocated on the basis of estimates of time and effort.

Income Taxes—Project BRAVO is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. In addition, Project BRAVO has been determined by the Internal Revenue Service not to be a private foundation within the meaning of Section 509(a) of the Code.

The Organization files a Return of Organization Exempt from Income Tax under Section 501 (c)(3) of the Internal Revenue Code. The Organization is no longer subject to U.S. federal and state income tax examinations by tax authorities for year before December 31, 2016. There are no examinations in progress at December 31, 2019.

Advertising—Advertising costs are expensed as incurred. Advertising costs were \$820 and \$3,079 for the years ended December 31, 2019 and 2018, respectively.

New Accounting Pronouncement—In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, as amended which requires an entity to recognize revenue when the entity transfers promised goods and services to the customer in an amount that reflects the consideration that the entity expects to be entitled to in exchange for those goods or services. Additional disclosure is required to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contract with customers. Project Bravo adopted ASU 2014-09 in 2019 under the modified retrospective method. The adoption of this ASU did not materially impact the timing or amount of revenues recognized by Project Bravo in the statement of activities.

In June 2018, the FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The standard is intended to address questions stemming from ASU 2014-09, *Revenue from Contracts with Customers*, regarding its implications on the grants and contracts of not-for-profit organizations. ASU 2018-08 includes specific criteria to consider when determining whether a contract or agreement should be accounted for as a contribution or as an exchange transaction. It also provides a framework for determining whether a contribution is conditional or unconditional which will impact the timing of revenue recognition. All grants, contracts, and/or agreements must be analyzed under the new framework to determine if it will be recorded as a contribution, an exchange transaction, or both. For any agreements identified as conditional contributions, the organizations will also need to identify and track the specific conditions of the contract and record the contributions as the conditions are met. ASU 2018-08 was adopted under the modified retrospective approach. The adoption of this ASU did not materially impact the financial statements for contributions received.

Subsequent Pronouncements— In March 2019, the FASB issued ASU 2019-03, *Not-for-Profit Entities (Topic 958): Updating the Definition of Collections*. The ASU specifically addresses the use of proceeds from sales of collections and related disclosures. Collections include groupings of art, historical treasures, or similar assets that are 1) held for public use, 2) preserved and protected; and, 3) when sold, the proceeds are reserved for specific uses. Under the clarified definition, proceeds from the sale of collection items can be used either to acquire new items or directly care for existing items already in possession. Previous guidance required proceeds to be used only for the acquisition of additional collections. This change aligns the definition of “collections” with that currently used by Project Bravo. ASU 2019-03 is effective for financial statements issued for fiscal years beginning after December 15, 2019. Early application of the amendments is permitted. The amendments in ASU 2019-03 should be applied on a prospective basis.

In February 2016, FASB issued ASU 2016-02, *Leases (Topic 842)*. ASU 2016-02 requires entities to recognize all leased assets as assets on the statement of financial position with a corresponding liability, resulting in a gross up of the statement of financial position. Entities will also be required to present additional disclosures regarding the nature and extent of leasing activities. ASU 2016-02 is effective for fiscal years beginning after December 15, 2021. As updated by ASU 2018-11, the standard provides the option to apply the transition provisions as of an entity's adoption date or at the earliest comparative period presented in its financial statements. Further, updated by ASU 2019-01, the standard aims to increase transparency and comparability among organizations by recognizing assets and lease liabilities on the statement of financial position and disclosing key information about leasing transactions. Project BRAVO has not yet evaluated the impact this standard will have on its financial statements and related disclosures, including the selection of a transition method.

Subsequent Events—Management has evaluated subsequent events through July 28, 2020, the date the financial statements were available to be issued.

3. AVAILABILITY AND LIQUIDITY

Project BRAVO regularly monitors liquidity required to meet its operating needs and other commitments, while also striving to maximize the investment of its available funds. The following represents Project BRAVO's financial assets at December 31, 2019 and 2018 that are readily available within one year of the balance sheet date to meet general expenditures.

	2019	2018
Financial assets at year end:		
Cash and cash equivalents	\$ 1,066,118	\$ 615,758
Grants and contributions receivable	<u>138,419</u>	<u>137,103</u>
Total	1,204,537	752,861
Less net assets with purpose restrictions to be met in less than a year	<u>(98,304)</u>	<u>(138,019)</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 1,106,233</u>	<u>\$ 614,842</u>

Project BRAVO has \$1,204,537 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures, consisting of a cash balance of \$1,066,118 and grants and contributions receivable of \$138,419. The financial assets are subject to donor or other contractual restrictions, amounting to \$98,304, that are unavailable for general expenditures within one year of the statement of financial position. Project BRAVO has a goal to maintain financial assets, which consists of cash on hand to meet 45 days of normal operating expense, which are, on average, approximately \$300,000. Project BRAVO has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due. In addition, as part of its liquidity management, Project BRAVO invests cash in excess of daily requirements in short-term investments, primarily money markets. As described in Note 9, Project BRAVO also has a line of credit in the amount of \$500,000, which it could draw upon in the event of an unanticipated liquidity need.

4. GRANTS AND TENANT RECEIVABLE

Grants receivable arise from amounts due to Project BRAVO by granting agencies for allowable, reimbursable expenditures at year-end. Grants and tenant receivables consisted of the following at December 31, 2019 and 2018:

	2019	2018
Community Development Block Grant	\$ 8,249	\$ 6,420
Community Services Block Grant	(3,890)	24,204

Tenant receivables	4,986	881
Other receivables	1,153	953
	<u> </u>	<u> </u>
Total	<u>\$ 138,419</u>	<u>\$ 137,103</u>

5. PROPERTY AND EQUIPMENT

Property and equipment, net consisted of the following at December 31, 2019 and 2018:

	Estimated Lives (Years)	2019	2018
Building and improvements	27.5	\$ 2,252,987	\$ 2,252,987
Vehicles	5	153,347	191,156
Furniture and equipment	3	59,417	59,417
Land		394,305	394,305
		<u> </u>	<u> </u>
		2,860,056	2,897,865
Less accumulated depreciation		<u>(1,706,109)</u>	<u>(1,659,647)</u>
		<u>\$ 1,153,947</u>	<u>\$ 1,238,218</u>

Depreciation expense for the years ended December 31, 2019 and 2018 was \$84,271 and \$86,384, respectively.

In April 2019, Project Bravo donated two vehicles with an original book value of \$37,809 to another local non-profit organization.

Certain vehicles and equipment were acquired with funds received under grant contracts with the Texas Department of Housing and Community Affairs. Under the terms of the grant agreements, title of the equipment may be transferred, upon termination or non-renewal of the agreements, to a third party named by the granting agency. There were no balances in net assets with donor restrictions at December 31, 2019 and 2018.

6. NET ASSETS

Net assets with donor restrictions were as follows for the years ended December 31, 2019 and 2018:

	2019	2018
Specific purpose:		
Community Services Block Grant Program	\$ -	\$ 5,497
Comprehensive Energy Assistance Program	-	47,630
Counseling Award	-	2,584

7. DONATED MATERIALS AND SERVICES

Donated materials and equipment are reflected as contributions in the accompanying financial statements at their estimated fair values at the date of receipt. Project BRAVO allocates in-kind expenses to program and activities for which the services are used. Materials and other noncash donations are recorded at cost or estimated fair value at the date of donation. For the years ended December 31, 2019 and 2018, Project BRAVO recorded volunteer hours and other donated goods that totaled \$131,483 and \$133,853, respectively, which is included in other grants, contributions, and support in the statement of activities.

8. GOVERNMENT FUNDING

Project BRAVO is a not for profit organization which received approximately 96% and 95% of its revenues from federal, state and local governments for the years ended December 31, 2019 and 2018, respectively. In the event the funding was to be discontinued, Project BRAVO would have difficulty continuing operations without the receipt of these governmental funds.

9. LINE OF CREDIT

Project BRAVO maintains a revolving line of credit with a financial institution to meet short-term working capital borrowing needs. Borrowings under the line of credit for the years ended December 31, 2019 and 2018 were limited to a maximum of \$500,000. Interest on outstanding funds is payable monthly at the bank's prime rate with a floor of 5%. The maturity date of the line of credit is October 17, 2020 and is secured by grants and tenant receivables. There was no outstanding balance or related interest expense as of December 31, 2019 and 2018.

10. NOTES PAYABLE AND FORGIVABLE LOANS

Notes payable and forgivable loans consisted of the following at December 31, 2019 and 2018:

	<u>Notes Payable</u>		<u>Forgivable Loans</u>

11. COMMITMENTS AND CONTINGENCIES

Grants—Amounts received from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amounts, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although Project BRAVO expects such amounts, if any, to be immaterial.

Litigation—Project BRAVO is subject to litigation, related to employment matters, in the normal course of business. Management, after consulting with its legal counsel, believes the effect, if any, resulting from the disposition of these matters will not have a material adverse effect on the financial position of Project BRAVO.

Operating lease—Project BRAVO currently leases office facilities month to month, with the exception of two facilities that have extended the terms four and five years. Total rent expense for the years ended December 31, 2019 and 2018 was \$123,474 and \$120,434, respectively. Project BRAVO also leases various equipment with lease terms of three years. The monthly lease payments are charged to expense as incurred. Lease equipment expense for the years ended December 31, 2019 and 2018 was \$17,291 and \$15,826, respectively.

Future minimum payments under the operating leases are:

Year Ending December 31,

12. SUBSEQUENT EVENTS

In early March, the COVID-19 virus was declared a global pandemic, and it unfortunately continues to spread rapidly. Business continuity, including supply chains and consumer demand across a broad range of industries and countries, could be severely impacted for months or more, as governments and their citizens take significant and unprecedented measures to mitigate the consequences of the pandemic. Management is carefully monitoring the situation and evaluating its options during this time. No adjustments have been made to these financial statements as a result of the uncertainty.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Board of Directors
of El Paso Community Action Program Project BRAVO, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of El Paso Community Action Program Project BRAVO, Inc. ("Project BRAVO") (a nonprofit organization) which comprise the statement of financial position as of December 31, 2019, and the related statement of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 28, 2020.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Project BRAVO's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Project BRAVO's internal control. Accordingly, we do not express an opinion on the effectiveness of Project BRAVO's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Project BRAVO's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

The Board of Directors
of El Paso Community Action Program Project BRAVO, Inc.

Report on Compliance for Each Major Program

We have audited El Paso Community Action Program Project BRAVO, Inc.'s ("Project BRAVO") compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Project BRAVO's major federal programs for the year ended December 31, 2019. Project BRAVO's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Project BRAVO's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Project BRAVO's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Project BRAVO's compliance.

Opinion on Each Major Federal Program

In our opinion, Project BRAVO complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2019.

Report on Internal Control Over Compliance

Management of Project BRAVO is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Project BRAVO's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Project BRAVO's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

EL PASO COMMUNITY ACTION PROGRAM

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2019

1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of El Paso Community Action Program Project BRAVO, Inc. ("Project BRAVO") under programs of the federal government for the year ended December 31, 2019. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Project BRAVO, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Project BRAVO.

2. BASIS OF PRESENTATION

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

3. INDIRECT COST RATE

Project BRAVO has not elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

4. LOANS OR LOAN GUARANTEES

Project BRAVO did not expend federal awards related to loans or loan guarantees during the year ended December 31, 2019.

5. NON-CASH ASSISTANCE

During the current fiscal year, Project BRAVO did not expend any federal non-cash assistance.

6. INSURANCE REQUIREMENTS

There are no insurance requirements on the federal awards disclosed on the Schedule of Expenditures of Federal Awards.

7. RELATIONSHIP TO BASIC FINANCIAL STATEMENTS
